# How to Login – iPad

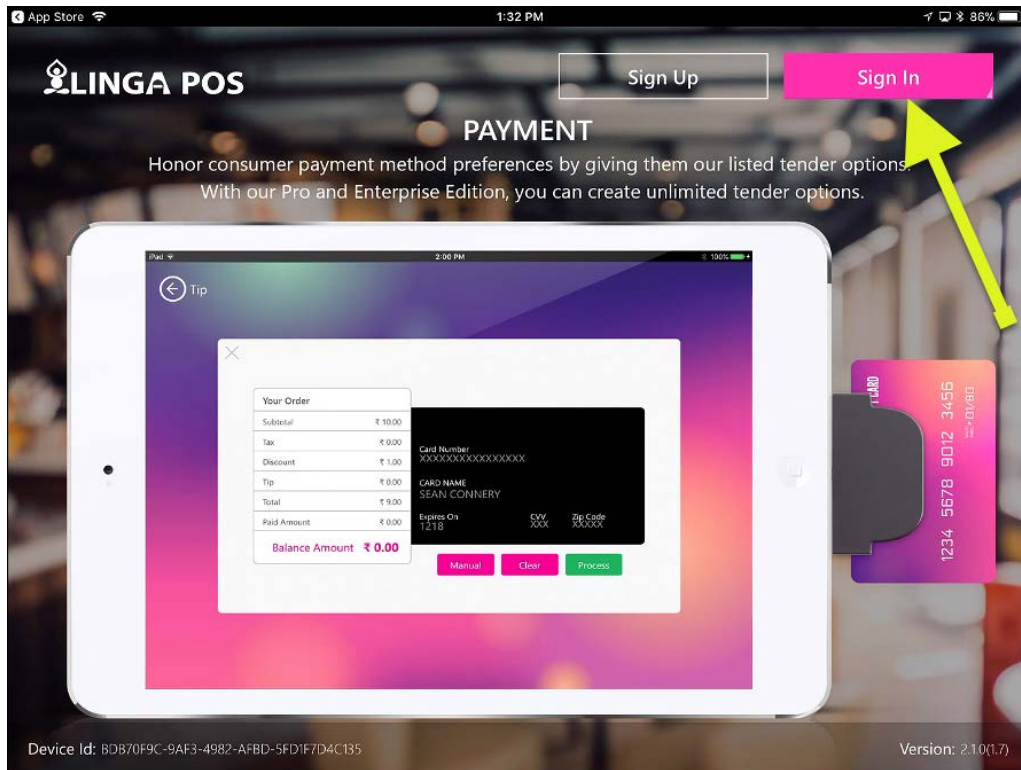

1. Open the App store and search for Linga. Select GET for the Linga | Point of Sale app. Enter your Apple ID password or scan finger, if necessary, to start download.

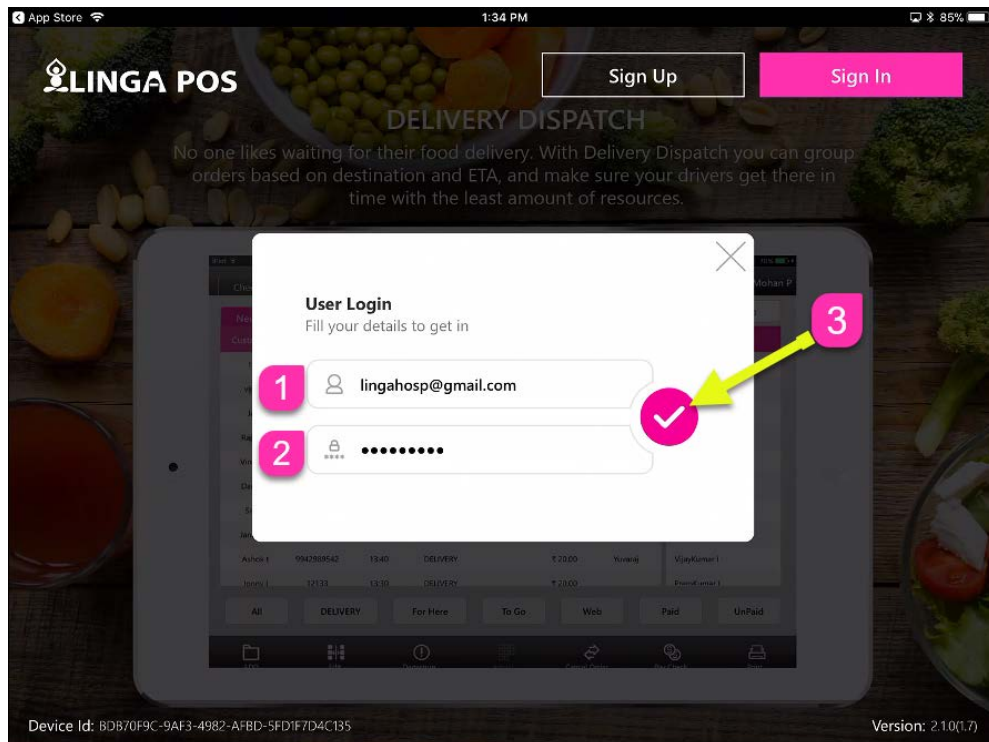

2. Once download is completed select OPEN to launch the app.

3. Select the Sign In option.

4. Enter in the email and password provided and then tap the check to log in.

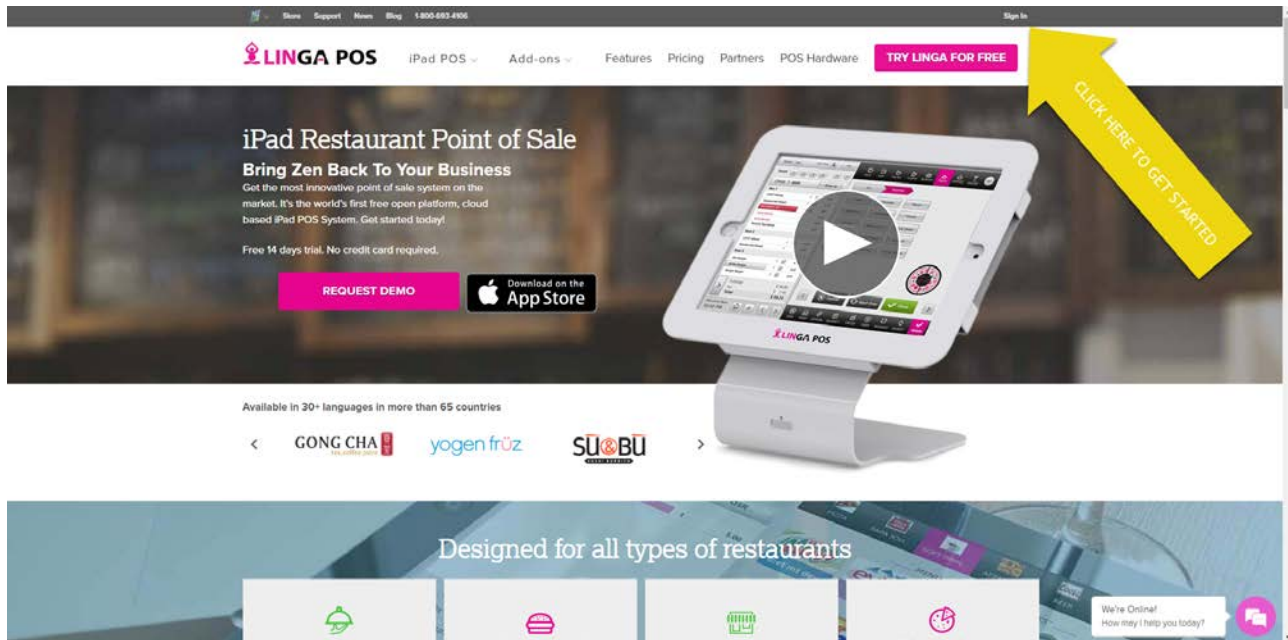

5. You are now ready to use Linga!

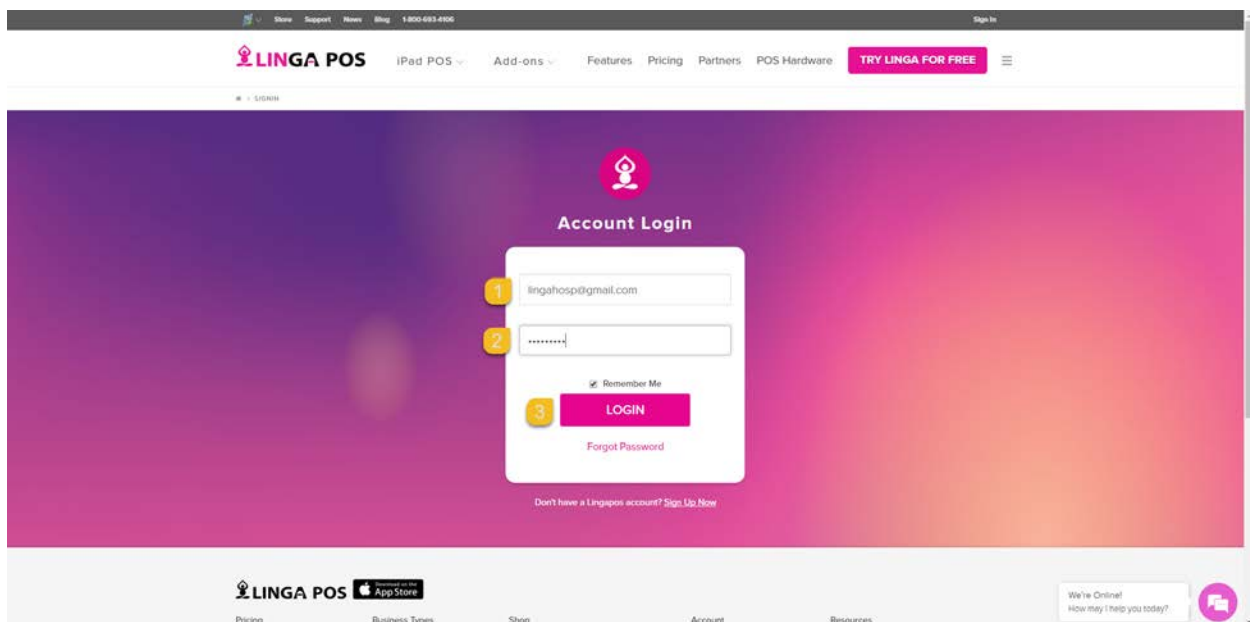

# How to Login - Back Office (Web Browser)

1. Navigate to [www.LingaPOS.com](http://www.LingaPOS.com) and click on the Sign In button.

2. Enter in the email and password that were provided then click LOGIN.

3. You have now successfully logged into the LingaPOS Back Office!
